Commissioner Hoppel announced that the old water tower at the county jail had formed icicles that fell on the storage building beside it and put a hole thru the roof breaking some trusses. The estimate to fix it is approximately \$13,000.00.

Commissioner Halleck stated he was recently in Columbus for the Governors Budget and he feels it is the best budget for counties. He is very appreciative of the Governor who is giving 8 million to the counties. Just a few of the increases will be seen in the Drug Task Force, Probation department and libraries. He stated there is not a lot of pushback thru legislature regarding the Budget.

Commissioner Halleck is proceeding with contract negotiations for the county jail.
