Subject: Wednesday's Prayer

Good Afternoon!

I hope you are well through these challenging days! I hope your dad is doing well, also. I am in the high risk group for the virus, so I've been v-e-r-y careful.

I am scheduled to offer the prayer for the Commissioners' meeting on Wednesday, and I will not be able to be there as I'm working out details on reopening the church for worship. Would you please be so kind as to read it for me?

Loving God, these have been difficult times, but we offer you our thanks for the wisdom you have given us to meet the challenges. Thank you for helping us to think of new ways to do our duties and care for your people. As our community and our country begins to reopen after our initial shut-down, may we continue to be guided by your wisdom. May we have the strength to do our jobs in new ways. Guide our thoughts and inspire our actions to be filled with kindness and care for each other. We thank you and praise you. Amen.

We are tentatively looking to June 28 to bring the mission drones to our worship service. I will let you know if that is confirmed.

Many blessings (and thanks),

MJ
