RE: OSU EXTENSION

Ms. Haley Shoemaker, Extension Educator of the OSU Extension Office introduced 4-H member Justin Bailey, a junior at Beaver Local High School, who recently attended Washington Citizen Focus in D.C. He explained his experience stepping out of the classroom while learning about government in action, having the chance to sit in places where real decisions are made and understanding the important roles of how our country works. He participated in an activity, Lead to Change, where several members of the delegation choose a real-life problem creating a bipartisan foundation with a goal to eliminate political violence in order to work towards a viable solution. He appreciates the support and confidence that 4-H has given him and thanks those who support the 4-H program.

Being no further business, Commissioner Paparodis adjourned the Commissioners' regular meeting.
